EDUCATION

| | |
|--|--|
| Temple University Ph.D., Management Information Systems | Philadelphia, Pennsylvania 2027(Exp.) |
| University of Connecticut M.S. Business Analytics and Project Management | Stamford, Connecticut 2018 |
| Drexel University M.S. Accounting (Passed all CPA exams) | Philadelphia, Pennsylvania 2017 |
| Guangdong University of Finance B.S. Finance | Guangzhou, Guangdong 2015 |

RESEARCH AREAS AND METHODS

Topics: Health IT, Social Impact of IT, Artificial Intelligence

Methods: Econometrics, Machine Learning

TEACHING INTERESTS

Database, Programming, Business Analytics, Cyber Security, Healthcare

WORKING PAPERS

1. Shuhua Wu, Chenzhang Bao, Sezgin Ayabakan, Min-Seok Pang. "The Role of Hospital Revenue Cycle Management Systems in Mitigating Personal Bankruptcy Filings." Major Revision, **Production and Operations Management**.
2. Shuhua Wu, Leting Zhang, Sunil Wattal. "How Displaying Healthcare Statistics Affects Maternal Health: An Empirical Investigation." Data analysis in progress.
3. Shuhua Wu, Sezgin Ayabakan. "The Impact of Medical AI Devices on Patient Outcomes: An Empirical Investigation." Data analysis in progress.

CONFERENCE & WORKSHOP PRESENTATION

1. Shuhua Wu, Chenzhang Bao, Sezgin Ayabakan, Min-Seok Pang. (2025, October). "The Role of Hospital Revenue Cycle Management Systems in Mitigating Personal Bankruptcy Filings." *INFORMS Annual Meeting*, Atlanta, GA, US.
2. Shuhua Wu, Chenzhang Bao, Sezgin Ayabakan, Min-Seok Pang. (2025, June). "The Role of Hospital Revenue Cycle Management Systems in Mitigating Personal Bankruptcy Filings." *Statistical Challenges in Electronic Commerce Research (SCECR)*, Paphos, Cyprus.
3. Shuhua Wu, Chenzhang Bao, Sezgin Ayabakan. (2024, May). "The Role of Hospital Revenue Cycle Management Systems in Mitigating Personal Bankruptcy Filings." *The Conference on Health IT and Analytics (CHITA)*, Washington DC, US.
4. Shuhua Wu, Aleksi Aaltonen, Jason Thatcher. (2022, December) "Are Bug Bounty Programs Equally Beneficial to All Companies? An Empirical Analysis of Cybersecurity and Crowdsourcing." *International Conference on Information Systems (ICIS) TREOs*, Copenhagen, Denmark.

CONFERENCE PROCEEDINGS

1. Wu, Shuhua; Ayabakan, Sezgin; Bao, Chenzhang; and Pang, Min-Seok, "The Role of Hospital Revenue Cycle Management Systems in Mitigating Personal Bankruptcy Filings" (2025). *AMCIS 2025 Proceedings*. 19.
2. Wu, Shuhua; Aaltonen, Aleksi; and Thatcher, Jason B., "Are Bug Bounty Programs Equally Beneficial to All Companies? An Empirical Analysis of Cybersecurity and Crowdsourcing" (2022). *ICIS 2022 TREOs*. 83.

TEACHING

Instructor, Temple University

(Undergraduate) MIS 2502 Data Analytics (**4.5/5**)

Fall 2025

Teaching Assistant, Temple University

(Undergraduate) MIS 2502 Data Analytics

Fall 2024, Spring 2025

Teaching Assistant, University of Connecticut

(Graduate) OPIM 5641

Fall 2018

HONORS AND AWARDS

First Research Advancement and Impact Seed funding (RAIS) Symposium Award, \$1500

2024

AD HOC REVIEWER

Conference: ICIS (2023-2025), PACIS (2024), HICSS (2024)

PROFESSIONAL EXPERIENCE

Temple University

Research Assistant

Philadelphia, Pennsylvania

Aug 2022- Present

Louisiana State University

IT Analyst - Application Programmer Analyst

Baton Rouge, Louisiana

Mar 2019 - Aug 2021

University of Connecticut

Research Assistant

Stamford, Connecticut

Feb 2018 -April 2018

Drexel University English language Center

Financial Assistant

Philadelphia, Pennsylvania

Oct 2016 - May 2017

TECHNICAL SKILLS & LANGUAGE

Skills: Web Scraping, Causal Analysis, Text Mining, Visualization

Software: Stata, SQL, Tableau, SAS

Programming: R, Python

Language: Chinese (Mandarin, Cantonese), English, French (basic)
